

MAKE THE MARCH

HELP THE WORLD FROM HOME

MAKE YOUR OWN LITTLE PROTESTER AGAINST CLIMATE CHANGE

WHAT YOU WILL NEED:

Felt tip pens // Scissors // White card // Tape // Lolly stick // Old recycled cardboard // Printed Template

INSTRUCTIONS

1. Print out this template
2. Cut out the little protester
3. Draw around the template on to your cardboard. You can modify your protester at this stage by adding more hair or other features
4. Decorate using pens and then cut out the person
5. Make a sign using the white card and a lolly stick
6. Write your slogan about climate change
7. Stick the sign to the persons hand
8. Make a small cut along the vertical line between your persons legs. Cut out the stand shape from your left over cardboard.

CONGRATULATIONS

You are nearly ready Made the March!
The world is a better place because you care.

Why not try customising your own sign shape?

Cut along the dashed lines only

Cut along the dashed lines only

*Mini protester template

TOP TIP

If you don't have a printer, try tracing over it on your screen using a piece of paper and a pencil.

FEELING STUCK?

Check out our how-to-video at @makingthemarch on Facebook

*Protesters stand

Take a photo and share your protester to...
